

# OUT-OF-SCHOOL TIME 2020

## COVID-19 PRECAUTIONS

Safety is the number one priority of The John M Barry Boys & Girls Club of Newton, and we continue to do everything possible to keep children, our staff, and volunteers protected from the COVID-19 virus. We follow EEC and CDC guidelines and regulations including limitations on group size, vehicular transport, and activities.

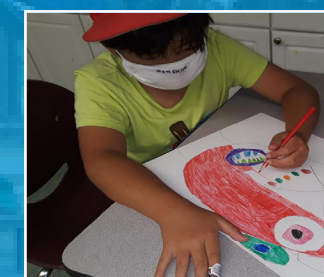

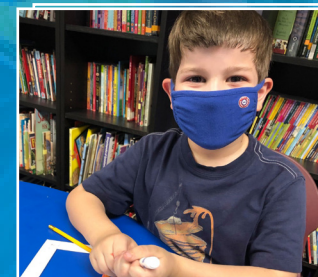

Every day parents attest online to their child's good health before arriving at the Club. With drop off times staggered, upon arrival qualified admitting staff members, in full PPE, take a temperature check and ensure a child has his/her mask on. The child(ren) is/are then escorted into the building to join their same everyday group and same everyday staff. While maintaining social distancing with masks on, hand washing takes place throughout the day always with staff supervision. Children who have been in contact with someone exhibiting symptoms and those with a temperature of greater than 100 degrees may not attend.

To limit potential for exposure to Covid 19, children must attend the program for the full day. Late drop offs and early pick ups require deviation from established safety routines and cannot be accommodated. Space is limited. We are unable to provide discounts for partial week schedules or for students who are granted additional learning time in school. ## MAKE NEW FRIENDSHIPS

## LEARN

## BUILD CHARACTER

### Perfect Mix of Fun and Safety!

The John M. Barry Boys & Girls Club of Newton is here for your family during the Covid-19 Pandemic. We are pleased to offer an Out-of-School Program that will augment Newton Public School's hybrid learning model while providing wrap around childcare to give working parents options during this difficult time.

During Summer 2020 we provided 9 weeks of high quality childcare under full Covid-19 precautions. We also upgraded the WIFI throughout our facility to the level required to facilitate online learning for students.

We are pleased to be able to offer remote learning at the Club and to provide a full day of activities to engage your child during out-of-School time while always putting the HEALTH and SAFETY of the children and staff first.

### Afternoon STEAM

Once the school day ends, all BGC programs have a STEAM focus. Activities designed to enable members to express their creativity and enhance their skills in the areas of Science, Technology, Engineering, the Arts, and Math will keep our kids looking forward to each new day.

There will be built in times throughout the week for exercise, reflection, and recreation

### Staff

The Club enjoys the year round support of a team of highly motivated youth professionals who are First Aid and CPR certified. We explore the activities that we enjoy most in our daily lives are constantly researching new ideas and techniques. All staff undergo rigorous background checks, drug testing, and hours of training to prepare for the season. Ratios range between 5 to 1 and 10 to 1 depending on the age of the children. Our job is to give your kids a memorable experience and we take our job seriously. We put safety first in all that we do.

### Mission

The John M. Barry Boys & Girls Club of Newton's mission is to inspire and enable young people to reach their full potential as productive, caring, and responsible citizens.

The Club, incorporated in 1954, strives to help our members, ages 6-18, develop self-esteem, educational and social competencies, a sense of wellbeing with a moral compass all facilitated through the Club's caring professional adult staff providing guidance and activities that meet the unique interests/needs of elementary, middle, and high school youth.
